## Constructing Solidarities in the Global Justice Movement

### Manisha Desai

Asian & Asian American Studies  
University of Connecticut

March 13, 2019  
4:00 pm

Knight Auditorium, Spurlock Museum  
600 South Gregory, Urbana  
University of Illinois at Urbana-Champaign

### A Feminist Perspective

Professor Desai will discuss the politics of transnational projects to build links and solidarities between movements of women activists differently situated in local

and global systems of power. She will share insights gained from sustained engagements with the dynamic ways in which localized movements challenge global injustices while insisting on differences. How do differently situated and subordinated groups learn from one another? How do we build bonds of solidarity necessary to sustain a global movement for justice?

Reception to follow.
