Join us for a conversation between Emily St. John Mandel and Professors Alex Shakar and Amy Hassinger from the University of Illinois Creative Writing Program

Emily St. John Mandel is the author of five novels, most recently *The Glass Hotel* (2020). Her previous novel *Station Eleven* (2014) was winner of the 2015 Arthur C. Clarke Award, Toronto Book Award and the Morning News Tournament of Books, and finalist for a National Book Award and the PEN/Faulkner award. Currently being adapted into an HBO miniseries, *Station Eleven* is above all a meditation on the importance of art and humanity in the wake of civilization's collapse following a global pandemic.
