## Practicing Medicine for Fun, Not Funds

**Patch Adams, MD**  
Founder and Director of Gesundheit Institute

For 15 years Dr. Patch Adams has directed a medical facility that has charged no money, carried no malpractice insurance, accepted no 3rd party insurance, and given him the ability to live with his patients in a large group home / country farm setting. Adams will talk about how the Gesundheit Institute is structured and how its philosophy is actuated in the delivery of health care.
